## Work Experience

Kelly is a Portfolio Manager in the Residential Property Services Division. Her portfolio consists of multi-family properties located in Richmond, VA and North Carolina. She is responsible for the day to day operations including management of on-site personnel, resident relations, budget preparation and monitoring. Kelly's areas of expertise include operational excellence, marketing and financial reporting.

Kelly has served the multifamily community for 15 years. Prior to joining Thalhimer, Kelly was a Regional Operations Specialist with BH Management and prior to that was a Multisite Property Manager with Gumenick Properties. She was instrumental in making sure that all sites maintained operational excellence while achieving financial goals.
